Input VIN into Bodybuilder Portal VIN Search Bar in the Engineering and Technology section and click on Technical Data Sheet to check the model.					

1. Identify required vehicle model based on the VIN's first 9 characters using the table below.

2. For Actros/Arocs/Axor/Atego make sure the Trucks category is checked. Shown in red. For Econic/Unimog/Zetros make sure the Special Trucks category is checked. Shown in blue.
